

Dear Parents,

Welcome back to school! I hope that you had a relaxing family time with your kids during the short summer break.

On the morning of 1.9.2022, we kicked off the new school year with the Camões TV live broadcast. I introduced the new year theme “Embracing Challenges” to the students, through the adventure of the little frogs who set sail to explore unknown places. With a determined heart, they stood fast in their own posts and faced challenges together. Eventually, they realized their dream and arrived at the destination. I encouraged every Camõesian to be as brave as the little frogs. Furthermore, I gave them the following advice which I would like to share with you too.

First, love yourself under whatever situations. When you fail, you learn and try harder next time. Second, enjoy trying new things. Your effort and attitude determine everything. Third, support each other and love each other.

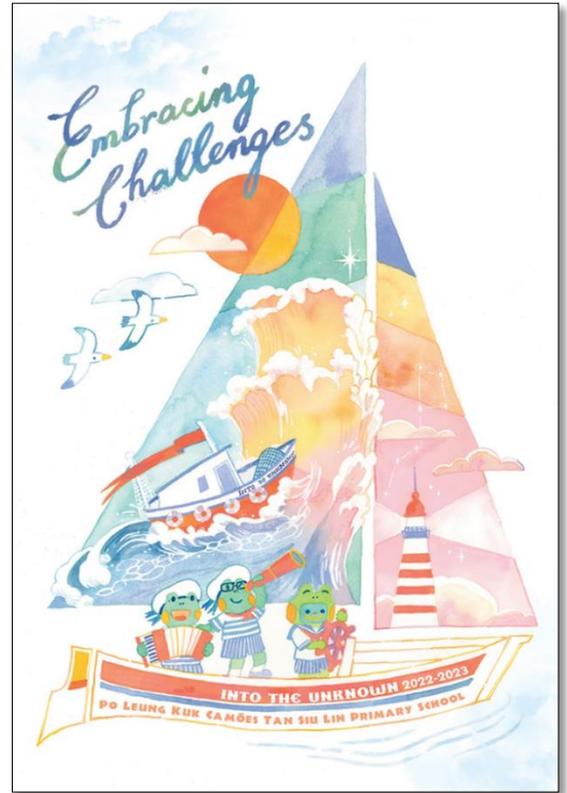

Today, we had our School Opening Assembly. We sang the National Anthem and the School song together. Then, I told our students more about the year theme. Finally, we presented the Clan Flags and Head Prefect Sashes to the Clan Leaders and Head Prefects respectively. We did have a joyful moment together. Parents, please do spend some quality time with your kid every day. The close relationship nurtured over days and years shall strengthen the important connection for life between you and your child.

Last but not least, thank you for your continuous trust and support to the school. We look forward to meeting you at the Parent-Teacher Conference on 17 September. May our students have a good start and grow up fast! I wish everyone a healthy and joyful 2022/23.

Yours faithfully,

Raymond Chou  
Principal
