

5 July 2023

Dear Parents,

School summer vacation is coming. I would like to take this opportunity to share some big events that happened recently with you.

We were thrilled that our Annual Concert was finally back on stage after 4 years. It was time for our little musicians to shine again on the stage. On the afternoon of 24 June, our music school teams presented marvellous performances in the two full-house sessions at our School Theatre. Their amazing singing and performance captivated the hearts of all audience. The big round of applause gave much recognition and encouragement to all of our little musicians after a whole year of hard work. The Annual Concert is truly a splendid platform for our Camõesians to experience, learn and grow.

Annual Concert - Chinese Orchestra

Annual Concert - Symphony Orchestra

Annual Concert - Junior Choir

Camõesians are talented not only in music but also in many different ways such as arts. From 26 June to 3 July, more than 370 pieces of our students' artworks were beautifully displayed in the Art Exhibition at Sha Tin Town Hall. The theme of our Art Exhibition echoed with the theme of this school year, "Embracing Challenges". Every piece of drawing expresses the sense of energy and enthusiasm. Every piece of drawing tells a unique story visually about their dreams and goals.

the Guest of Honour

Art Exhibition – Tour for the guests

We are proud of our Camõesians. We will continuously strive to cultivate them to be confident, independent and persevering students with a growth mindset. Keep on shining, Camõesians!

Wishing you and your children a happy summer holiday!

Yours faithfully,

Raymond C. M. Chou  
Principal
